

Welcome to Stolpverk Norden Summer Guild

Date: 13-16 August 2026

Place: Kroksjön, Unnaryd, Swe

Welcome to Stolpverk Norden's Summer Guild, the first of its kind and hopefully the start of an annual tradition! The weekend offers workshops, lectures on timber framing, study visits, open mic, a tool flea market, and plenty of festivities. Families are warmly welcome and only pay for meals plus a small entrance fee.

Food

Forest chef Victor Lilja and colleagues will serve breakfast, lunch, and dinner cooked over an open fire, included in the participation fee. The forest bar will be open in the evenings.

Accommodation

We recommend camping on site with a tent, van, or camper. Other accommodation is booked independently, for example Tinas Bed & Breakfast, Prästgården, Alebo Pensionat, Vallsnäs Camping, Jälluntofta Camping, or Tiraholms Hotel.

The Venue

The conference takes place at Kroksjöns Skogsretreat by Lake Kroksjön in the forests of Unnaryd, with swimming, sauna, canoes, and beautiful nature to explore. The timber frame raised during Kesurokai 2025 will serve as the forest kitchen and communal living room throughout the weekend.
